## WeBWorK Warnings

WeBWorK has encountered warnings while processing your request. If this occurred when viewing a problem, it was likely caused by an error or ambiguity in that problem. Otherwise, it may indicate a problem with the WeBWorK system itself. If you are a student, report these warnings to your professor to have them corrected. If you are a professor, please consult the warning output below for more information.

### Warning messages

- Use of uninitialized value in concatenation (.) or string at line 27 of [TMPL]/macros/fixedPrecision.pl
- Use of uninitialized value in concatenation (.) or string at line 27 of [TMPL]/macros/fixedPrecision.pl
- Use of uninitialized value in concatenation (.) or string at line 27 of [TMPL]/macros/fixedPrecision.pl
- Use of uninitialized value in concatenation (.) or string at line 27 of [TMPL]/macros/fixedPrecision.pl
- Use of uninitialized value in concatenation (.) or string at line 27 of [TMPL]/macros/fixedPrecision.pl
- Use of uninitialized value in concatenation (.) or string at (eval 3249) line 27.
- Use of uninitialized value in concatenation (.) or string at (eval 3249) line 27.
